

Job Title:

Music Therapist/Art Therapist and Mental Health Counselor

Organization: Expressive Therapies LLC

www.expressivetherapies.net

Short Job Description: Expressive Therapies would like to add another member to our fabulous team to provide music therapy/art therapy services and mental health counseling. Services are centered on unique and individual needs of each patient according to their plan of care. We provide services in office, in home, school based, and in the community within both individual and group capacities. Expressive Therapies is located in Appleton Wisconsin and we serve North East Wisconsin.

Detailed Job Description: Ideal therapist will:

- Implement group and individual music therapy/art therapy sessions.
- Complete initial assessments and treatment plans as referred.
- Create stimulating and developmentally & age appropriate individual and group sessions based on need(s) of clientele.
- Attend interdisciplinary team meetings as needed.
- Refer to other disciplines as needed/not practicing out of scope.
- Complete required documentation in timely manner.

Starting Date – Spring 2017 - Negotiable

Salary – Competitive based on education, experience and qualifications.

Hours Per Week – Starting at part time with expectations to move quickly into full time.

Job Requirements:

- Bachelor's Degree in Music Therapy or Art Therapy
- Board-Certified Music Therapist or Registered Art Therapist
- Ideal Candidate will also have a Masters of Social Work or Counseling and be an LCSW or LPC along with MT-BC/ATR
- Continued education in specialized areas of work for professional growth and development
- Must have reliable transportation, driving most likely required.
- Must be a self-motivator, organized and able to work independently.
- Proficient in voice, guitar, percussion and keyboard.
- Proficient in word, excel, and Electronic Medical Record.
- A strong communicator, flexible and a team player.
